Saturday workshops back on

Workshop reopened: 30 May 2020

We hope all our members and their families continue to remain safe during these difficult times.

As of the 30th May Saturday workshops have resumed.

Covid-19 procedures

- Maintain social distancing of 1.5m;
- Use hand sanitiser upon entry;
- If you have a sore throat, cough or flu like symptoms please do not attend the workshop.
- Bring your own cup for morning tea.

Thank you for your cooperation and understanding.

AGM: Due to Covid-19 restrictions the AGM scheduled for April will occur on Saturday 8th August. All welcome.

Meetings: The first meeting to be held since the Covid19 restrictions came into place was held on 11 July. Unless further restrictions come into place monthly meeting will continue as before, on the second Saturday of each month.

Meetings for the remainder of the year are as follows: August 8 (AGM), September 12, October 10, November 14, December 12. Meeting starts at 9.00am all members welcome.

Animal habitat boxes: All 210 possum boxes that were built for the animals impacted by the south coast bushfires have been distributed. The boxes have proven to be popular. The Wollongong Yacht Club ordered a box to house the kestrel that regularly returns each year to nest in the Yacht Club roof cavity.

Metal objects: Please remember all reclaimed wood must be scanned to ensure it is free of metal objects. Recently a screw was found in the dust collection bag of the thickness planner. Metal objects embedded in wood not only damage tools and machinery but can also act as shrapnel resulting in serious injury. The club has a metal detector, please use it on all reclaimed, recycled wood.
