AGM:

Our AGM was held on 8th August with the a great turnout of members. All committee roles were filled with an excited Mark now taking the reins as Club President. We wish Mark all the best with this role and offer our support to him.

We were fortunate enough to be able to present 3 Life Memberships to some very deserving IWG members.

**Dave Lipscombe, member 20 years, committee 19 years,
Positions Held - Vice President (5yrs), President(13yrs)**

**Rick Funnell, member 9 years, committee 14 years,
Positions Held - Co-ordinator (14yrs)**

**Bill Perry, member 22 years, committee 22 years,
Positions Held - Newsletter (2yrs), Treasurer (20yrs), Public Officer (11yrs)**

Our Life Members

Farewell: It was with a bit of sadness and a lot of good wishes that we said good bye to a very valued club member with Tony Bell moving onto to greener pastures.

Tony will always be welcome at IWG and we wish Tony all the best and hope to see him back someday soon.

Meetings: As usual, the next club meeting will be held on the second Saturday of the month, 10th October followed by 14th November. All members are encouraged to attend, the more the merrier.

Covid-19 procedures

- **Maintain social distancing of 1.5m;**
- **Use hand sanitiser upon entry;**
- **If you have a sore throat, cough or flu like symptoms please do not attend the workshop.**
- **Bring your own cup for morning tea.**

Thank you for your cooperation and understanding.

Metal objects:

This has been raised before, but just a quick reminder.

Please remember all reclaimed wood must be scanned to ensure it is free of metal objects. Metal objects embedded in wood not only damage tools and machinery but can also act as shrapnel resulting in serious injury. The club has a metal detector, please use it on all reclaimed, recycled wood.

Club metal detector.

Screw found in thickness planer

I cut it twice and it was still too short.

SHOW & TELL

Another awesome work by Rick and Mark

Ray still used the old style fence for sentimental reasons.
