Club sales coordinator	Ric Funnell
Librarian	Peter Hansen
Newsletter	Darinka Radinovic/ Jason Hedley

General Meeting:

The previous Club Meeting was held on 10th October.

Key Points:

- Whilst the club workshop is back in full swing, the Scholl programme is yet to start back up.
- As always, we need more product with a greater variety for club sales.
- The club library is available to all and please remember to sign out and in the material that you borrow.
- We would like to thank Bill for knocking up the lovely tool storage units for the club and look forward to seeing what else he creates.

- **All club members would like to extend a warm welcome to our newest member, Phil Hogg.**

SHOW & TELL

Phil is making a bird house.

A club sale to his sister, if you can't make money off your family, who can you then

Halloween has come early.
Virgini calls it a spirit doll – a must for any home.

Meetings: As usual, the next club meeting will be held on the second Saturday of the month, 12th December. All members are encouraged to attend, the more the merrier.

Covid-19 procedures

- Maintain social distancing of 1.5m;
- Use hand sanitiser upon entry;
- If you have a sore throat, cough or flu like symptoms please do not attend the workshop.
- Bring your own cup for morning tea.

Thank you for your cooperation and understanding.

Workshop Safety

Please always clean up after your work. It keeps the workshop safer and it makes life a bit easier for everyone else.

Question 1.

Choose the correct action if you have an accident in the workshop.

- Report all injuries when they occur no matter how minor. Even if it doesn't seem serious it could get infected later.
- If it was your own fault, there's nothing Mark can do about it.
- If there is no blood, there is no need to worry about it.
- Don't tell anyone. You will get in trouble for failing to follow workshop rules.

Question 2.

The most common cause of eye injury is not wearing eye protection.

- True
- False

off the mark by Mark Parisi
