Coordinator (Organising)	Ric Funnell
Coordinator (Workshop)	Pat Keefe
Club sales coordinator	Ric Funnell
Librarian	Peter Hansen
Newsletter	Darinka Radinovic/ Jason Hedley

## General Meeting:

The previous Club Meeting was held on 14th November.

Key Points:

- We are now the proud owners of new turning tools. The existing tools will be kept for basic works and also as a great opportunity for sharpening practice and tuition.
- We have been given the opportunity to collect various tools from an estate. This will be checked out by a few members in the next couple of weeks to determine if there is anything of value to the club. If not, we will look into assisting with the disposal of left over goods.
- The Treasurer's report is showing the club's funds in a satisfactory way. With markets, Bunnings BBQs opening back up, we will look forward to seeing an increase in club sales, income etc.
- **All club members would like to extend a warm welcome to our newest member, Anne Shephard.**

*President Mark, the Co-Ordinator's Report may not be the most exciting of news, but it is NOT a "Coroner's Report"*

## SHOW & TELL

Yvonne's improved coffee table. New top on reclaimed legs.

A lot of work to make straight and level and well worth the effort.

Mark and Virgini have both worked on this coaster. Resin work with some great little branch cuttings from Virgini's Sister -In-Law.

One of two Chess Boards  
made recently.

Awesome work from Phil, Ric,  
Dave and Bill.

Now to turn out the pieces.

**Meetings:** As usual, the next club meeting will be held on the second Saturday of the month, 12<sup>th</sup> December. All members are encouraged to attend, the more the merrier. This will also be our Christmas/ End of year lunch. A nice BBQ at the club.

### **Covid-19 procedures**

- Maintain social distancing of 1.5m;
- Use hand sanitiser upon entry;
- If you have a sore throat, cough or flu like symptoms please do not attend the workshop.
- Bring your own cup for morning tea.

Thank you for your cooperation and understanding.

### **Workshop Safety**

Please always clean up after your work. It keeps the workshop safer and it makes life a bit easier for everyone else.

*Always remember, don't cut off appendages longer than your arm, it really hurts.*

Woodchuckles

Early attempts at the table saw.

*Did you hear about the wood worker who fell into a vat of varnish?*

*It was a terrible end but a beautiful finish.*
